30212164	1 Banningham Road, Aylsham.	TPO	Hi. I live on the corner of Banningham Rd and Drabblegate We have some ash trees at the bottom of my garden on the opposite side of the road that are in my mind dangerous. They have ash dieback as well. These trees stand on a strip of unregistered land and no one seems to want to take responsibility for them. I would have thought if the land is unregistered it is the responsibly of the Highway or Broadland Council. If any of these trees fall it will hit my neighbours' house or my outbuildings or block the road and could even hurt someone. I have applied to the highways in the past who don't seem to want to help. What should I do about these trees?	29/11/2021

Explanatory Notes:

- 1) App No is the unique Broadland District Council Planning Application number allocated to the application to carry out work and is the number by which progress of the application may be traced. Any comment, objection, support or request for information should quote this number.
- 2) Address is the address to which the application for work relates. In other words, it is the address where the trees for which the application is made are located.
- 3) Cat (ie Category) denotes the type of application. TPO = works to trees subject to a Tree Preservation Order; or
211 = Section 211 Notifications for Works to Trees Within Conservation Areas
- 4) Species / Requested Works is the species of the tree(s) concerned and details of the work proposed. A reference such as T1, T2 or G1 may also appear and that is simply a reference to the tree(s) on the TPO, Conservation Order or simply on the application.
- 5) Decision is either the date on which the application was received by Broadland District Council or the actual decision.
- 6) This list is not intended to be a definitive list of all the relevant details. The reader should always refer to the specific application on the Broadland District Council "Planning Explorer" at <https://secure.broadland.gov.uk/Northgate/PlanningExplorer/GeneralSearch.aspx> to view the application or read the Council's decision.
