10. Events Committee

a) To Note the Decisions made by the Events Committee on 4th October 2023

Cllr Douglass provided a verbal report.

There had been significant community engagement by representatives of the Parish Council.

These events included:

- A 'Meet Your Councillors' stand at the Hellesdon Carnival.
- A Quiz at The Bull with a specialist 'Hellesdon' round written by the Parish Council.
- A Mystery Tour for the Friday Friends.

An appeal was made for more councillors to get involved with engagement events as it is being perceived as the council being made up of only a small number of councillors.

The following are upcoming:

- The Scarecrow Trail for half term. This has been well received, especially by local businesses.
- The senior citizens' Christmas party on 9th December
- A 'Through the Decades' night on 27th January 2024.
- The Summer Fayre in June 2024
- D-Day80 is also being investigated for 6th June 2024. An appeal is to be put in Just Hellesdon for veterans' stories. The cost and possible location of a beacon is to be investigated.

a) To Receive Update on Family Hub running from Hellesdon Parish Council site.

A report had been circulated to councillors detailing the progress on the setting up of the Family Hub. The room has been redecorated ready for occupation, and the electrical updates made. It is hoped that Norfolk County Council can move in, in early November.

15. Defibrillator for the Low Road

a) To Consider match funding for defibrillator for the Low Road

It was reported that the area that has the least access to a public defibrillator is the Low Road. The Clerk had completed an expression of interest for a defibrillator through the Department of Health and Social Care. If accepted for the scheme, the Parish Council would need to contribute £750 towards the match funding.

It was **AGREED** to make a formal approach to the parish hall to host the defibrillator. Ward Member funding would be available to cover the match funding element. If the parish hall requires it, a grant could be made from the Parish Council to cover the electricity costs of running a defibrillator, which is expected to be approximately £25 per annum.

It was **AGREED** to apply for a defibrillator through the DHSC scheme.
