a) Clerk's Report

This had been previously circulated. Cllr Douglass raised a query on the availability of open space to current residents of the Persimmon development. b) Verbal Report from District and County Councillors

Cllr King advised that he would not be standing for the Parish Council or District Council in May and thanked everyone for placing their faith in him over his terms of office.

In her role as county councillor, Cllr Gurney reported that roadworks have now been completed on the B&Q junction, but works continue on the Low road.

There is now a new bus service which serves The Nest.

Work is continuing with officers on the Yellow Pedalway, which will create a cycleway from Amsterdam Way to the Nest, and then on to the NDR.

The next set of major roadworks will be at the Boundary. Norfolk County Council is considering options of a full road closure for seven weeks over the school summer holidays, or an alternative of a partial closure for twelve weeks.

b) To Agree Purchase of Coronation Bench for the Recreation Ground

Four options for benches were presented to council. It was **AGREED** to purchase a Coronation bench from Glasdon at a cost of £1,480.64.

9. Community Centre

a) To Receive Report on Community Centre Refurbishment Project

A written report had been provided for councillors on works outstanding.

All CCTV cameras are now operational, but the report is still awaited on the cause of the failure.

A contractor has attended site to quote for a mechanical louvre system. The better option would be an electrical system, as opposed to a system attached to the boiler. However it has been established that there is insufficient electrical load to facilitate an electrical system. A quote has been requested based upon a mechanical system.

There remains a 'live list' of other snags being reviewed regularly by the Project Manager, Facilities Manager and Clerk to ensure that all matters raised are being addressed.

Further information is expected on the changing of the rear door system to include a fob system so that it can be accessed by hirers of the sports pitches on a Sunday, for access to the changing rooms.

b) **To Receive Report of Pride in Place Grant and Agree Terms and Conditions to Proceed**

The Parish Council had previously agreed to apply for a Pride in Place grant from Broadland Council for a capital sum of £25,000 as a contribution towards a refurbishment of the toilets in Hellesdon Community Centre.

Hellesdon Parish Council has been awarded £20,500 for capital and £2,500 for revenue (promotion of the improved facilities) – a total of £23,000. It was **AGREED**, after a proposal from Cllr Gurney and a second from Cllr Johnson, to accept this offer with the shortfall coming from EMR 347.

10. **Playing Fields, Allotments and Amenities**

a) **To Note Decisions Made by the Playing Fields, Allotments and Amenities Committee on 4th April 2023.**

The draft minutes of the meeting had been circulated. The Clerk updated the meeting on the request to plant a Coronation tree at the allotment site, permission for which had since been denied by the landowner as it may cause issues with the 'lift and shift' part of the lease in the future.

A request had been made to rename the Community Orchard, the 'Coronation Orchard'. This was **REFUSED** after a proposed from Cllr Gurney and a second from Cllr King on the grounds that the orchard was designed to be of benefit the community and was not developed for the purpose of the Coronation.

b) **To Agreed Formal Order of new Wessex Tri-Deck Mower, as Agreed in 2023/2024 Budget**

As part of the budgeting process, three quotes were obtained from different suppliers. Other options were also considered in the form of trade in for the current machinery, and financing and lease options.

It was **AGREED** to purchase the new mower, as was budgeted for. In addition to this, after a proposal from Cllr King and a second from Cllr Bush-Trivett, It was **AGREED** that a five year maintenance contract be taken out at a cost of £2950 to be taken from EMR 334. This would protect the council from the effects of inflation.

A Ten Minute Adjournment was Taken

11. **Bus Service Improvement Plan**

a) **To Consider Proposal from Norfolk County Council for a Gold Standard Bus Shelter on Cromer Road**

Norfolk County Council had approached Hellesdon Parish Council to consider a partnership to improve the bus shelter area on Cromer Road outside the Tesco Express. They have received government funding to improve bus services in Norfolk and part of this funding would be to improve strategically located bus shelters. The objective of this project is to encourage more sustainable transport in Norfolk.

Norfolk County Council would provide funding for a scheme and Hellesdon Parish Council would adopt all parts of the scheme and would be responsible for all future maintenance, with exception of the digital display board which would be maintained by Norfolk County Council.

It was **AGREED** to proceed with this partnership with Norfolk County Council. The current bus shelter is to be reviewed, and if it is possible to resite, to place it on the Drayton High Road, outside the hospital.

Cllr Sear advised that buses continue to travel down Cromer Road in the middle lane, rather than use the bus lane.

12. **Community Food Hub**

a) **To Receive Report on Community Food Hub Proposal and Advise of Forthcoming Meeting**

Approved.....

Date.....

The Parish Council has had an approach from Broadland Council and the Norfolk Community Foundation in relation to Hellesdon being identified as an area which could benefit from a Food Hub (often known as a Social Supermarket) to support those in Hellesdon who are being adversely affected by the Cost of Living Crisis.

This project is in its infancy and requires a local group run the facility. It was stressed that it was very rare for a Parish Council to run such a service, but Parish Councils are useful in leadership roles in the local area to help set up the project.

The Norfolk Community Foundation has arranged a meeting at the Parish Council offices on Thursday 27th April at 1.30pm to discuss further with community groups.

13. Library Protection Scheme
