8. 2024/2025 Budget

a) To Review Quotations and Appoint Verge Cutting Contractor for 2024/2025

The Parish Council holds a verge delegation agreement with Norfolk County Council to cut the grass verges in Hellesdon. Hellesdon Parish Council does not have the equipment or resource to complete the works in house, so the work is contracted out. Presently, the amount received from Norfolk County Council enables the Parish Council to cut the verges more frequently than Norfolk County Council is able to commit to, resulting in tidier verges and less complaints.

Quotations were requested in November 2023, and were added to contracts finder for openness and transparency. Two responses were received as follows:

Description of Works	Contractor 1	Contractor 2
Verge Cutting (10 cuts in the growing season)	£9684.43	£12845.50
For each additional cut on request	£968.44	£ 1284.55

It was **AGREED** to appoint Contractor 1 for the verge cutting contract in 2024/2025.

b) To Review Earmarked and General Reserves Balance

It was established that the predicted general reserves as of 31st March 2024 would be in the region of £307,954.67 (after all expenses, projects and financial reserves management contingency were considered). It was **AGREED** to recommend to Full Council that £223,915.36 be allocated to various projects and sinking funds in Earmarked Reserves. It was further **AGREED** to recommend to Full Council that the amount of £130,000 as stated in the Financial Reserves Management Policy as being adequate to run the council for three months, be increased to £150,000.

c) To Consider 2024/2025 Budget and Associated Precept

Members considered feedback from committees and how their budgets worked into the all round budget figure for the council. They also considered forthcoming projects and how these projects could be accommodated utilising reserves. Using reserves to update the assets of the Parish Council would also reduce the maintenance costs in the near future.

After reviewing all budget items and making associated amendments, the budget **AGREED** to be recommended to full council for 2024/2025 was £727,103.81. With anticipated income a precept of £598,826.67 would be required. With a tax base of 3930 this would mean a Band D of £152.37 per annum, an increase of £7.20 per annum which equates to 4.96%

d) To Consider Options for Improved Interest Rates

Two different options were provided for a better return on the Parish Council's savings. These were in the form of either a Barclays Bond or a CCLA investment account. It was **AGREED** that both options should be utilised. The Clerk and the Finance Officer will review the level of savings and return to the council with a recommendation of investment in both accounts.

The Meeting was reopened to the Press and Public
