**Minutes of the Meeting of Hellesdon Parish Council
held on Monday 6th January 2025 at 7pm
in The Marjorie Lewis Room, Hellesdon Community Centre**

PRESENT:

Cllr B Johnson (Chairman)
Cllr G. Britton
Cllr I Duckett
Cllr S Gurney
Cllr A Lock (from 7.06)
Cllr M. Maidstone
Cllr S Smith

Cllr D. Britcher
Cllr L. Douglass
Cllr R Forder
Cllr M. Hicks
Cllr D Maidstone
Cllr R. Sear

In attendance: Mrs F LeBon (Clerk), Mr H Clark (Deputy Clerk) and eleven members of the public.

Welcome by the Chairman – Cllr Johnson welcomed all in attendance and advised that this meeting had been called to discuss four planning applications which had been submitted by Persimmon for phases 4 -6 of the Royal Norwich Golf Course development.

1. Apologies and Acceptance for Absence

Apologies were received from Cllr N. Barker and Cllr D. Fahy.

2. Declarations of Interest and Dispensations

None raised.

3. To Agree Minutes as a True and Accurate Record of the Full Council Meeting held on 10th December 2024

The Minutes of the Full Council meeting held on 10th December 2024 had been previously circulated. It was **RESOLVED TO ACCEPT** these Minutes as a true and accurate record of the meeting, subject to the addition of Cllr D. Britcher's name recorded as being in attendance.

4. Public Participation

A query was raised over how many objections had been received to the planning applications. It was advised that the Parish Council does not receive the responses to the applications, these would be in the possession of the Local Planning Authority (Broadland Council).

Disappointment was expressed that the applicant is now advising that they cannot afford to complete the development without significant reduction in community benefit.

A member of the public raised that in 2015 the applicant advised that the development would only be viable if 1,000 houses were to be built.

Queries were made over the plans for the proposed new primary school.

Cllr Gurney reported that there is now a reduction in houses for this development. The applicant is now proposing:

Hellesdon Parish Council, Full Council Minutes 6th January 2025

- No more affordable housing across the development.
- No land for the proposed primary school. However, Norfolk County Council has indicated that the school will no longer be a requirement due to the drop in birth rate.
- There will be a reduced amount of land for recreational open space.

The tree officer at the Local Planning Authority has advised that trees that the applicant originally wished to fell, need to stay to ensure that the root system keeps the stability of the terrain. There is a Tree Preservation Order on the whole site.

Cllr Britcher felt that the Parish Council should have heeded the warnings raised in 2015, in that the infrastructure should have been built first, and then the housing. As a result, the houses are being built and the parish is being short changed of facilities.

Cllr Douglass expressed disappointment in the lack of affordable housing. This will especially impact on young people and will prevent families from staying in Hellesdon.

There was a query about doctors surgeries or any other facilities such as post offices being provided. It was noted that there was no proposal for such facilities. Cllr Gurney explained the history of a possible satellite building for the doctors surgery, but this did not come to fruition.

A query was raised about the level of flooding across the bus lane past the high school on the Drayton High Road, and how this will be exacerbated due to development. Cllr Douglass will report this to Highways.

Concerns were raised over flooding on Hospital Lane as the road turns right into Low Road.

Concerns were raised over the applicant being a professional housebuilder and having overlooked significant matters of house building, and that this is being made a problem of the community and not of the developer.

There were concerns raised over the lack of engagement with the Parish Council by the applicant.

Cllr Gurney advised it was important to find out exactly what the Parish Council is entitled to with a proposal of 787 houses, as opposed to the original proposal of 1,000.

A query was raised out the work on the Neighbourhood Plan and how this could impact the affordable housing. Cllr Gurney advised that a Housing Needs Assessment commissioned by the Neighbourhood Plan working group will be used as evidence for the affordable housing.

Cllr Britcher requested that the four District Councillors check the drainage plans provided by the applicant are suitable for the local area.

Disappointment was expressed about the lack of members of the public who had attended this meeting.

Cllr Johnson advised that, although a member of Broadland Council's Planning Committee, he would not be sitting on the committee when these applications were discussed and would be arranging a substitute. This would ensure that he could continue to speak as a parish councillor on this matter and not risk pre-determining.

All applications were considered en bloc. Meeting of Hellesdon Parish Council 14th January 2025

Item 6f – Finance

To Consider Allocation of CIL in Earmarked Reserves

The following are CIL payments forming part of earmarked reserves:

CIL 2023/2024	£62,242.78
CIL 2024/2025	£8,784.04
 TOTAL	 £71,026.82

The amounts are separated in earmarked reserves because the funds should look to be spent within a five year period. Should they not be expended, or a plan put in place for long term expenditure, the developer has a right to ask for the funds back (as they will be deemed unnecessary to mitigate the effects of development).

Meeting of Hellesdon Parish Council 14th January 2025

Less Income: **£142,702.32**

Proposed Precept: **£634,036.67**

This equates to a Band D of £159.51. Last year the Band D was £151.92 therefore an increase of £7.59 per annum (4.99% increase).

7. To Consider CIL Funding Correspondence from Gateway Vineyard Church

Correspondence was circulated about a request for grant funding, specifically from the CIL fund, in excess of the £500 limit placed under the Parish Council’s grant making policy. Concerns were raised about the level of community benefit for this project. It was **AGREED** not to financially support this project, however, the Clerk will assist by signposting the church to sources of grant funding where the Parish Council has had recent success.

Item 10 – Floodlights

To Receive Report on Damage to Floodlight in Car Park and Consider Options for Replacement

The floodlight in the car park is failing and is repeatedly leaving the car park in darkness. An electrician has been approached for advice on replacement of this light and also replacement of the floodlights on the tennis courts, as part of the budgeting process. All the floodlights are of the same age and are all outdated halogen technology. It is likely that as the first one fails, all will fail.

An indicative quote received suggests that it would be beneficial replace all lights at the same time and achieve economies of scale rather replace the lights individually.

An additional benefit of changing all the lights is the saving on electricity costs. The large halogen lamps are costly to run, whereby 150w LED lights would be a cost saving.

One quote has been received. Two further contractors are being shown the project week commencing 6th January. All prices will be presented to members at the Parish Council meeting.

There is currently £675 available in the revenue budget for the car park, and £66,500 in EMR for the tennis courts
