Clerk's report for Full Council meeting 10 February 2026

Period 13 January 2026 to 3 February 2026

It has been a very busy period since my arrival on 5 January 2026 with snow, the BBC, staffing issues and an SLCC conference to occupy me. Following my email briefing to all councillors dated 22 January 2026, in which I outlined my priorities for the next couple of months, I will provide an update on some issues arising.

Rialtas to Scribe

This transfer will not take place completely until 1 April 2026. Scribe do not have capacity to ensure the end of year of process would be completed in time for the new financial year. So we will continue with Rialtas through February and March and year end. Richard Bishop (locum clerk) will be supporting us with this process as I have no experience of using Rialtas. Scribe will transfer 3 years of previous accounts to the new system. The office staff have been tasked with learning the new software ready for April.

Current account transfer to Unity Trust Bank

This is currently in place and should have been completed by the time of the Full Parish Council meeting. Thank you to Cllrs Douglass and Johnson for their time in supporting me with this transfer.

Deputy Clerk Vacancy

We have to date received 28 expressions of interest and application packs have been forwarded. However, only 4 completed applications have been returned. The closing date for applications is 12 noon on 20 February 2026. Interviews are scheduled to take place week commencing 2 March 2026.

Grants

I am currently in the process of dealing with several grants that require urgent attention to ensure we can claim before the end of the financial year. This includes Future for Nature and Parish Partnerships as well as the match funding grants from Cllr Gurney for the new village sign and recycling bins for the Community Centre.

Budget 26/27

Ahead of the Policy, Property and Resources meeting I am wrestling with Rialtas to reorganise the coding and cost centres to produce a budget for each committee and help the transition to Scribe. The rearrangement will align the budgeting with committees, so greater transparency and understanding will be available for committee members on expenditure and income.

Payroll

Good progress has been made with Stevenson Smart Chartered Accountants which should mean February's payday will be less stressful.

SLCC conference

I attended the SLCC conference on 28/29 January 2026 at St George's Park in Burton upon Trent. This was an excellent conference and enabled me to catch up with a number of suppliers including Unity Trust Bank who as a result fast tracked our application forms! The conference gave a valuable insight into current topics such as proper practices in governance and accountability and devolution of services from principal authorities. There were legal updates as to the requirements of "Hillsborough Law" (Public Office Accountability Bill) and the new Code of Ethics which will come into force to complement the Code of Conduct. The conference is an essential information source as well as a chance to speak to other clerks from across England & Wales to learn of best practices and developments.

To consider financial request from St Mary's Church to help with grass cutting maintenance costs.

Background

Historically the Parish Council has made a contribution to St Mary's Church to help with the costs of maintaining the churchyard and burial ground. Legally, maintenance of closed churchyards, at the request of the Parochial Parish Council (PPC), revert to the Parish Council from the Parochial Parish Councilⁱ. Hence Parish Councils have a vested interest in ensuring churchyards are well maintained, especially if they are nearing closing.

Budget considerations

The budget for 25/26 reflects a contribution amount of £800. The budget for 24/25, again for £800, has not been used but has fallen into the general reserve.

Proposal

A letter is attached (appendix 1) from Debbie Cronk the Parish Administrator and PCC Secretary explaining the reasoning as to why no request was forthcoming for 24/25 and making a request for funding for 25/26.

Recommendation

The current general reserve level is high and the Parish Council can afford to meet both 24/25 and 25/26 contribution rate at a total cost of £1600.

Dear Jonathan

Grass cutting at St Mary's Churchyard and New Burial Ground 2024 and 2025

In previous years, Hellesdon Parish Council has made a contribution toward our substantial cost of maintaining the churchyard and burial ground at St Mary's Church, Low Road, Hellesdon. This includes monthly grass cutting from April to October and annual hedge trimming. Occasional tree maintenance is also required.

Unfortunately, because we were without a Vicar for 15 months during 2024/25, I was much busier than usual, and overlooked writing to request a contribution for 2024. The total we spent on churchyard and burial ground maintenance that year was £9,176 and, although I don't yet have the total spend for 2025, it will be a similar amount or, possibly more.

Please could you ask the members of Hellesdon Parish Council to consider our request and contribute as much as they are able to for both 2024 and 2025. Payment can be made by bank transfer to the following account:

Hellesdon Parochial Church Council

Kind regards

To consider the requirement for an interview panel of five councillors for the Deputy Clerk recruitment process, and to approve the appointment of Cllrs Britcher, David Maidstone and Gurney to the panel as recommended at the Staffing Committee meeting held on 14 January 2026.

Background

The current recruitment process policy defines the Deputy Clerk as a senior position and as such requires three members of the staffing committee plus two other councillors to be present on the interview panel. This is addition to the Clerk who would also be present to facilitate proceedings.

Budget considerations

None.

Proposal

The inclusion of a further two members appears to be an overkill of the requirements and does not add any further value to the decision making. Having five members present at an interview could appear to be quite daunting and intimidating for candidates, who may of course already be nervous enough! It is important that candidates establish a rapport with members of the panel, and having five members present makes this difficult.

The staffing committee have already appointed three panel members for the interviews for the Deputy Clerk vacancy. All members selected are experienced and representative of the council.

Recommendation

To agree that Cllrs Britcher, David Maidstone and Gurney form the interview panel for the position of Deputy Clerk for interviews due to held week commencing 2 March 2026.

Clerk

4 February 2026

To consider date, time, venue and content of the 2026 Annual Parish Meeting.

Background

The Annual Parish Meeting (APM) is a statutory meeting¹ required by law for every parish in England. It is distinct from the Annual Parish Council Meeting and exists to allow local electors, not the council to discuss parish affairs. It is **not** a meeting of the Parish Council, and councillors attending do so as parishioners not as councillors. The meeting must be held between 1 March and 1 June each year and the meeting can not start before 6pm. Only registered electors in the parish of Hellesdon may speak and vote at the meeting. If the Chair of the Parish Council attends they will usually Chair the meeting. If the Chair does not attend the meeting then a Chair will be voted in at the beginning of the meeting. The Clerk would take minutes of the meeting. There is no compulsion upon the Parish Council to act on any matter raised at the APM, although it would be proper to consider items raised at a future meeting of the Full Parish Council or committee.

Budget considerations

I can not trace any budget line for the APM, however if the Council Chamber is chosen as the venue then there is no immediate cost to the council, unless other provisions are required.

Proposal

In 2025 the APM was held on 7th May and the previous year in 2024 it was held on 8th May. April 23rd was chosen as the date in 2023.

I have had a request from PC Matt Hill and PC Sam Hales to present an annual review of policing in Hellesdon at the APM.

A date in May 2026 would be suitable, subject to availability if the venue is chosen as a room within Hellesdon Community Centre. The Council Chamber is much more available with the exception of the second and fourth Tuesday in the month.

Recommendation

As council elections have been cancelled I would suggest 7 May 2026 at 7pm in the Council Chamber. Although some by elections have been called and may take place on 7th May 2026 this is unlikely to effect Hellesdon and will also mean the timescale of pre election period will also have passed.
