7. Council Reports

a) To receive a report from the Clerk

Report was previously circulated to Council members. The Deputy Clerk added that the Annual Parish Meeting has been provisionally booked for Wednesday 27th May 2026. The Clerk is waiting for confirmation that the CEO of Broadland District Council, Mr. Trevor Holden, can attend. Cllr David Maidstone, Cllr Mel Maidstone and Cllr Sue Holland all advised they were unable to attend on that date. The report was noted.

b) To receive reports from County and District Councillors.

Cllr Shelagh Gurney advised she had met with County Council officers in respect of the parking issues in Middleton's Lane adjacent to the Jet Garage and officers were looking to put permanent parking restrictions within that area. It appears some vehicles have been present in that area for extended periods and used for airport parking.

It was noted that the temporary traffic lights on Holt Road are not sequencing correctly and are not communicating with each other, which is causing traffic issues. At present, the lights are being manually operated.

It was noted that a reduction in the speed limit on Drayton High Road from 40mph to 30mph had been suggested. It was further noted that Kier would be responsible for addressing the reported potholes. Cllr Shelagh Gurney confirmed that the two Oak trees on Holt Road near the allotment site would be remaining and those to be felled are near The Nest facility site although there has been no consultation as yet. The report was noted.

c) Report from the Chairman

Cllr David Maidstone and Cllr David Britcher updated those present that they had met with the Clerk to discuss how best to support him and the staff moving forward. The Chairman referred to a bullet point list of notes which could be circulated to fellow Councillors after this was agreed with the Clerk. It was suggested that members should drop the Clerk an email before calling to avoid unnecessary disruption. The report was noted.

7. Financial Matters

Items a to d.

The Deputy Clerk in the absence of the RFO advised that financial reports were unable to be produced. However reassurance was provided that the bank reconciliation has been completed for February and March 2026. There are a few queries remaining that need to be processed and resolved prior to the reports being produced. Richard Bishop will be returning this Thursday to resolve any outstanding issues.

e) Bank Mandate signatories.

The Council **RESOLVED** to add Cllr Mel Maidstone and Cllr Mike Hicks to the bank mandate.

8. Reports from Committees

Events Committee

Connie Ackers was commended for her work with the Events Committee in organising the Summer Fayre. Further details regarding the event will be published on the Parish Council website in due course. It was **AGREED** that the Christmas Carols on the Lawn event, including food and drink stalls, will take place on 19 December 2026.

Approved.....

Cllr David Maidstone
Chairman of Hellesdon Parish Council

Date.....

a) Playing Fields Allotments and Amenities Committee

Cllr Mike Hicks provided a verbal report and it was noted that repairs to the Beehive Shed had now been completed. There were no updates available regarding the use of hosepipes or the repair of potholes at the allotments. It was further requested that progress on compost bins and the new keys for the padlock on the allotment entrance gate be followed up.

b) Staffing Committee

Cllr David Britcher advised that the Committee had engaged a professional HR consultancy for a five-year period to assist the Clerk. Additionally, subject to an amendment to the Council's Standing Orders, mandatory HR training would be requested for members of the Staffing Committee, although this training would be made available to all members who wished to attend. It was noted that the committee had asked for the disciplinary panel to convene.

c) Planning Committee

Cllr Roy Forder updated council following the Planning meeting held earlier in the evening and advised of the objections to the applications discussed.

It was noted no meetings have been held since previous Full Council meeting for Community Centre and Café Property Policy and Resources and Environment Committees.

9. **Other Business**

The Chairman suggested it would be beneficial for all councillors to attend training. Cllr Sue Holland agreed in principle but was mindful of only one year remaining before Parish Council elections and suggested an amendment to Standing Orders to this effect. The Council **RESOLVED** that all new councillors, whether they join by election or co-option should be offered and actively encouraged to undertake training. Costings of training providers would be sought by the Clerk. Cllr Ian Duckett requested if the Clerk could obtain any details of any environmental training.

10. **Next Meeting**

The next full Parish Council meeting will be on 12 May 2026 at 7pm in Council Chamber, Diamond Jubilee Lodge, Woodview Road Hellesdon Norwich NR6 5QB. Members were advised to note this will be the Annual Parish Council Meeting.

Clerk's report for Full Council meeting 12 May 2026

Period 14 April 2026 to 6 May 2026

We are approaching the busiest time of the year for the Council office with AGAR returns, VAT quarter end as well as financial year end procedures. This has been complicated by the switch to Scribe from Rialtas. Later on in the month we have the internal auditor visit and as well as preparing for the Annual Parish Meeting.

An update on some matters below:

Rialtas accounts backlog

We have finally managed to complete the reconstruction of the accounts for January, February and March and completed the reconciliation. This was no mean feat and the Council owe a debt of gratitude to Richard Bishop who has worked diligently with the rest of the office staff to sort queries and issues over 3 months worth of input. This has taken much longer than we have anticipated, but for the longer term it was important to ensure that the council's financial records were on a firm footing before switching software. The VAT quarter end return has been completed and submitted.

Scribe Software

The Deputy Clerk has continued to lead on this project and ensure all records for Allotments and Room Hire bookings are transferred over to the new system. Once set up it is hoped that users will be able to book rooms in real time directly from the website. Payments will also be easier with invoicing being automatic and links to Stripe an online webpage which will take and manage card payments. As Year End 25/26 has only been completed on Rialtas we are a few weeks behind as we have been unable to input into Scribe as we did not have balance transfers figures to start the new financial year. However, I am confident that we can catch up as Scribe is much easier to use.

Committee Work

Whilst this is a busy period for administration, it is also a busy period for the Grounds Team as the grass (and weeds!) start to grow and allotment holders return to their plots after the winter. The football season has officially ended and work will begin on the summer maintenance programme including reseeding goalmouths and worn areas. In addition, as the new bowling season approaches, fine turf management requirements will be ongoing now until late autumn.

Work is progressing well from the Events committee, with the next event being the Summer Fayre on 20 June 2026. I will work closely with Dave Marshall and the Events committee to ensure that all the necessary preparations are undertaken.

Report for : Full Council

Date: 12 May 2026

Item Title: Committees – appointments and Terms of Reference (TOR)

Attached are the current positions held by members of the Council. For some committees such as Community Centre and Café we have too many members appointed against the agreed number. No committee should have more than 7 members to ensure that Full Council still has the power of veto.

The internal scrutineer responsibilities will be disappearing in 2026/27 as I propose to change the way Bank Reconciliations are reported to Full Council, making this more open and transparent. However for the time being a member needs to be appointed. It must not be a signatory on the Bank Account or the Chairman of the Council. Paragraph 2.6 of the financial regulations outlines the responsibilities.

The appointment of the panels are not covered within the Terms of Reference for staffing. However you may wish to amend standing orders so that full council decides the appointments at the annual parish council meeting.

Any suggested changes to ToRs are highlighted in track changes within the documents attached.

Introduction

These model standing orders update the National Association of Local Council (NALC) model standing orders contained in “Local Councils Explained” by Meera Tharmarajah (© 2013 NALC). This publication contains new model standing orders which reference new legislation introduced after 2013 when the last model standing orders were published.

How to use model standing orders

Standing orders are the written rules of a local council. Standing orders are essential to regulate the proceedings of a meeting. A council may also use standing orders to confirm or refer to various internal organisational and administrative arrangements. The standing orders of a council are not the same as the policies of a council but standing orders may refer to them.

Local councils operate within a wide statutory framework. NALC model standing orders incorporate and reference many statutory requirements to which councils are subject. It is not possible for the model standing orders to contain or reference all the statutory or legal requirements which apply to local councils. For example, it is not practical for model standing orders to document all obligations under data protection legislation. The statutory requirements to which a council is subject apply whether or not they are incorporated in a council’s standing orders.

The model standing orders do not include model financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the council’s Responsible Financial Officer. Model financial regulations are available to councils in membership of NALC.

Standing orders that are in bold type contain legal and statutory requirements. Standing orders not in bold are designed to help councils operate effectively but they do not contain statutory requirements so they may be adopted as drafted or amended to suit a council’s needs.

For convenience, the word “councillor” is used in model standing orders and, unless the context suggests otherwise, includes a non-councillor with or without voting rights.

Local Government Association

Model Councillor Code of Conduct 2020

Joint statement

The role of councillor across all tiers of local government is a vital part of our country's system of democracy. It is important that as councillors we can be held accountable and all adopt the behaviours and responsibilities associated with the role. Our conduct as an individual councillor affects the reputation of all councillors. We want the role of councillor to be one that people aspire to. We also want individuals from a range of backgrounds and circumstances to be putting themselves forward to become councillors.

As councillors, we represent local residents, work to develop better services and deliver local change. The public have high expectations of us and entrust us to represent our local area, taking decisions fairly, openly, and transparently. We have both an individual and collective responsibility to meet these expectations by maintaining high standards and demonstrating good conduct, and by challenging behaviour which falls below expectations.

Importantly, we should be able to undertake our role as a councillor without being intimidated, abused, bullied, or threatened by anyone, including the general public.

This Code has been designed to protect our democratic role, encourage good conduct and safeguard the public's trust in local government.

Introduction

The Local Government Association (LGA) has developed this Model Councillor Code of Conduct, in association with key partners and after extensive consultation with the sector, as part of its work on supporting all tiers of local government to continue to aspire to high standards of leadership and performance. It is a template for councils to adopt in whole and/or with local amendments.

All councils are required to have a local Councillor Code of Conduct.

The LGA will undertake an annual review of this Code to ensure it continues to be fit-for-purpose, incorporating advances in technology, social media and changes in legislation. The LGA can also offer support, training and mediation to councils and councillors on the application of the Code and the National Association of Local Councils (NALC) and the county associations of local councils can offer advice and support to town and parish councils.

Definitions

For the purposes of this Code of Conduct, a “councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

General principles of councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- you misuse your position as a councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring

Officer.

Standards of councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a councillor:

1.1 I treat other councillors and members of the public with respect.

1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor-officer protocol.

2. Bullying, harassment and discrimination

As a councillor:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least

two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the council

As a councillor:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information

As a councillor:

4.1 I do not disclose information:

- a. given to me in confidence by anyone**
- b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless**
 - i. I have received the consent of a person authorised to give it;**
 - ii. I am required by law to do so;**
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
 - iv. the disclosure is:**
 - 1. reasonable and in the public interest; and**
 - 2. made in good faith and in compliance with the reasonable requirements of the local authority; and**
 - 3. I have consulted the Parish Clerk, who may in turn contact the Monitoring Officer, prior to its release.**

4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute

As a councillor:

5.1 I do not bring my role or local authority into disrepute.

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in you or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position

As a councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities

As a councillor:

7.1 I do not misuse council resources.

7.2 I will, when using the resources of the local authority or authorising their use by others:

- a. act in accordance with the local authority's requirements; and**
- b. ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.**

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport

- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct

As a Councillor:

8.1 I undertake Code of Conduct training provided by my local authority.

8.2 I cooperate with any Code of Conduct investigation and/or determination.

8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.

8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the local authority

9. Interests

As a councillor:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in **Table 1**, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10. Gifts and hospitality

As a councillor:

10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons

who may apply to the local authority for any permission, licence or other significant advantage.

10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.

10.3 I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

Appendices

Appendix A – The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in “The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012”. You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

“**Disclosable Pecuniary Interest**” means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

“**Partner**” means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A ‘sensitive interest’ is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a ‘sensitive interest’ you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.

Disclosure of Other Registerable Interests

5. Where a matter arises at a meeting which **directly relates** to the financial interest or wellbeing of one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

6. Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

7. Where a matter arises at a meeting which **affects** –
 - a. your own financial interest or well-being;
 - b. a financial interest or well-being of a relative or close associate; or
 - c. a financial interest or wellbeing of a body included under Other Registrable Interests as set out in **Table 2**you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied

8. Where a matter (referred to in paragraph 8 above) **affects** the financial interest or well-being:
 - a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
 - b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Appendix C – the Committee on Standards in Public Life

The LGA has undertaken this review whilst the Government continues to consider the recommendations made by the Committee on Standards in Public Life in their report on [Local Government Ethical Standards](#). If the Government chooses to implement any of the recommendations, this could require a change to this Code.

The recommendations cover:

- Recommendations for changes to the Localism Act 2011 to clarify in law when the Code of Conduct applies
- The introduction of sanctions
- An appeals process through the Local Government Ombudsman
- Changes to the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012
- Updates to the Local Government Transparency Code
- Changes to the role and responsibilities of the Independent Person
- That the criminal offences in the Localism Act 2011 relating to Disclosable Pecuniary Interests should be abolished

The Local Government Ethical Standards report also includes Best Practice recommendations. These are:

Best practice 1: Local authorities should include prohibitions on bullying and harassment in codes of conduct. These should include a definition of bullying and harassment, supplemented with a list of examples of the sort of behaviour covered by such a definition.

Best practice 2: Councils should include provisions in their code of conduct requiring councillors to comply with any formal standards investigation and prohibiting trivial or malicious allegations by councillors.

Best practice 3: Principal authorities should review their code of conduct each year and regularly seek, where possible, the views of the public, community organisations and

neighbouring authorities.

Best practice 4: An authority's code should be readily accessible to both councillors and the public, in a prominent position on a council's website and available in council premises.

Best practice 5: Local authorities should update their gifts and hospitality register at least once per quarter, and publish it in an accessible format, such as CSV.

Best practice 6: Councils should publish a clear and straightforward public interest test against which allegations are filtered.

Best practice 7: Local authorities should have access to at least two Independent Persons.

Best practice 8: An Independent Person should be consulted as to whether to undertake a formal investigation on an allegation, and should be given the option to review and comment on allegations which the responsible officer is minded to dismiss as being without merit, vexatious, or trivial.

Best practice 9: Where a local authority makes a decision on an allegation of misconduct following a formal investigation, a decision notice should be published as soon as possible on its website, including a brief statement of facts, the provisions of the code engaged by the allegations, the view of the Independent Person, the reasoning of the decision-maker, and any sanction applied.

Best practice 10: A local authority should have straightforward and accessible guidance on its website on how to make a complaint under the code of conduct, the process for handling complaints, and estimated timescales for investigations and outcomes.

Best practice 11: Formal standards complaints about the conduct of a parish councillor towards a clerk should be made by the chair or by the parish council, rather than the clerk in all but exceptional circumstances.

Best practice 12: Monitoring Officers' roles should include providing advice, support and management of investigations and adjudications on alleged breaches to parish councils within the remit of the principal authority. They should be provided with adequate training, corporate support and resources to undertake this work.

Best practice 13: A local authority should have procedures in place to address any conflicts of interest when undertaking a standards investigation. Possible steps should include asking the Monitoring Officer from a different authority to undertake the investigation.

Best practice 14: Councils should report on separate bodies they have set up or which they own as part of their annual governance statement and give a full picture of their relationship with those bodies. Separate bodies created by local authorities should abide by the Nolan principle of openness and publish their board agendas and minutes and annual reports in an accessible place.

Best practice 15: Senior officers should meet regularly with political group leaders or group whips to discuss standards issues.

The LGA has committed to reviewing the Code on an annual basis to ensure it is still fit for purpose.

FINANCIAL RESERVES MANAGEMENT

1. Purpose

- 1.1 Hellesdon Parish Council (HPC) is required to maintain adequate financial reserves to meet the needs of the organisation. The purpose of this document is to set out how the Council will determine and review the level of reserves.
- 1.2 Section 50 of the Local Government Finance Act 1992 require a local precepting authority to have regard to the level of reserves needed for meeting estimated future expenditure when calculating the budget requirement. However, there is no specified minimum level of reserves that an authority should hold but it is generally accepted that general (un-earmarked) revenue reserves usually lie within the range of three to twelve months of gross expenditure. (Governance and Accountability for Local Councils A Practitioners' Guide (England) 2014 Part 2 - 2.26)
- It is the responsibility of the Responsible Financial Officer to advise the Council about the level of reserves and to ensure that agreed procedures are adhered to for their establishment and use. w

2. Types of reserves

- 2.1 Reserves are categorised as general or earmarked.
- 2.2 Earmarked reserves can be held for several reasons:
- Renewals – to enable services to plan and finance an effective programme of vehicle and equipment replacement and planned property maintenance. These reserves are a mechanism to smooth expenditure so that a sensible replacement programme can be achieved without the need to vary budgets.
 - Carry forward of underspend - some services commit expenditure to projects, but cannot spend in the current budget year. Reserves are used as a mechanism to carry forward these resources.
 - Insurance reserve – to enable the Council to meet the excesses of claims not covered by insurance.
 - Other earmarked reserves may be set up from time to time to meet known or predicted liabilities.
 - Monies received from CIL (Community Infrastructure Levy) payments must be held in an earmarked reserve in order to account for spending in accordance with government policy.
 - Monies due to the Council under s.106 Agreements are held by Broadland District Council and released to this council following approval of expenditure and submission of relevant receipted invoices which confirm payment.

- 2.3 General reserves are funds which do not have any restrictions as to their use. These reserves can be used to smooth the impact of uneven cash flows, offset the budget requirement if necessary or can be held in case of unexpected events or emergencies.

3. Earmarked reserves

- 3.1 Earmarked reserves will be established on a “needs” basis, in line with anticipated requirements.
- 3.2 Any decision to set up a reserve must be given by the Council.
- 3.3 Expenditure from reserves can only be authorised by the Council.
- 3.4 Reserves should not be held to fund ongoing expenditure. This would be unsustainable as at some point, the reserves would be exhausted. To the extent that reserves are used to meet short term funding gaps, it must be resolved that they must be replenished in the following year. However, earmarked reserves that have been used to meet a specific liability would not need to be replenished, having served the purpose for which they were originally established.
- 3.5 All earmarked reserves are recorded on a central schedule held by the Responsible Financial Officer and lists the various earmarked reserves and the purpose for which they are held.
- 3.6 The Council’s Financial Risk Assessment is considered within the budgeting procedure and year end accounting procedures and identifies planned and unplanned expenditure items and thereby indicates an appropriate level of reserves.

4. General Reserves

- 4.1 The level of general reserves is a matter of judgement and so this document does not attempt to prescribe a blanket level. The primary means of accumulating general reserves will be through an allocation from the annual budget. This will be in addition to any amounts needed to replenish reserves that have been consumed in the previous year.
- 4.2 Setting the level of general reserves is one of several related decisions in the formulation of the medium term financial strategy and the annual budget. The Council must accumulate and maintain sufficient working balances to cover the key risks it faces, as expressed in its Financial Risk Assessment.
- 4.3 If in extreme circumstances general reserves were exhausted due to major unforeseen spending pressures within a particular financial year, the Council would be able to draw down from its earmarked reserves to provide short-term resources.
- 4.4 Even at times when extreme pressure is put on the Council’s finances the Council must keep a minimum balance sufficient to pay one month’s salaries to staff in general reserves at all times.

5. Opportunity cost of holding reserves

- 5.1 In addition to allowing the Council to manage unforeseen financial pressures and plan for known or predicted liabilities, there is a benefit to holding reserves in terms of the interest earned on funds which are not utilised. This investment income is fed into the budget strategy.
- 5.2 However, there is an “opportunity cost” of holding funds in reserves, in that these funds cannot then be spent on anything else. As an example, if these funds were used to repay debt the opportunity cost would equate to the saving on the payment of interest and the minimum revenue provision, offset by the loss of investment income on the funds. However, using reserves to pay off debt in this way would leave the Council with no funds to neither manage

unexpected risks nor provide a mechanism to fund the planned expenditure for which the reserves were earmarked.

- 5.3 Given the opportunity costs of holding reserves, it is critical that reserves continue to be reviewed each year as part of the budget process to confirm that they are still required and that the level is still appropriate.

6. Current level of financial reserves

- 6.1 The level of financial reserves held by the Council will be agreed by the Property Policy & Resources Committee during the discussions held regarding the setting of the budget and precept for the forthcoming financial year.
- 6.2 The current level of general reserves to be held by the Council is no less than **£150,000.00 as this is considered to be adequate for 3 months running costs of the council.**
- 6.3 The current level of earmarked reserves to be agreed by the Property Policy & Resources Committee

7. Current Financial Service Provider

- 7.1 The current financial service provider is Barclays Bank plc. The credit rating and reputation of the provider is considered by the Property Policy & Resources Committee during the discussions held regarding the level of financial reserves.
- 7.2 The Council may consider other providers as appropriate in order to achieve the best return on its investments. The credit rating and reputation of the provider must be relevant to local government policies and best practice.
- 7.3 HPC currently has 2 loans with PWLB, both agreed by Full council following recommendations from Property, Policy and Resources Committee, payback of these loans are included in the precept amount requested from Broadland District Council.

Item Title: To consider request from YMCA Norwich to hold an event in the foyer of the Community Centre.

We have been contacted by YMCA who wish to hold an event within the foyer of the Community Centre to promote their service of supported lodgings.

This event would be similar to that proposed by Yorkshire Building Society in that they would set up a table in the foyer and engage users of the centre as they pass.

I have attached a copy of their brochure which provides more details about the service.

Recommendation

This event is similar to that proposed by Yorkshire Building Society which was approved by Ful Council. The service being offered is much needed in the community and beyond and I would recommend that permission is granted.

How our Supported Lodgings service works

Becoming a Supported Lodgings provider is a rewarding journey, and we make sure you're never alone. Here's what to expect:

Starting the conversation

After you express interest, our team will visit you at home. This is a relaxed meeting where we:

- > Explain how the service works
- > Understand your motivation and what a good match looks like
- > Discuss payments and practical arrangements
- > Share how young people's development plans work and how you can be involved

Training before placement

YMCA is committed to safeguarding young people. Before welcoming a young person, you'll be required to complete an enhanced DBS check and receive comprehensive training to include:

- > Safeguarding
- > Professional boundaries
- > A-Z of successful hosting

Matching and onboarding

When a young person is referred and paired with you, we'll arrange an initial meeting. Our staff will support onboarding, including house rules, boundaries and expectations.

Ongoing support

While the young person lives with you, they'll work through a development plan with their Support Worker – setting goals and action steps. Weekly meetings will take place either at your home or at a mutually agreed location. For you as a host you will receive:

- > A monthly home visit from us
- > Weekly phone calls to check progress and gather feedback
- > Ad-hoc support whenever you need it – our team is just a call away

You're never on your own. We're here to make sure hosting is a positive and supported experience.

Moving on and debrief

When the young person moves on, we'll hold a thorough debrief with you – looking at what went well and what could improve. This helps us continually fine-tune the programme and support you and future hosts even better.

Case Study

Young person's journey

At 18, Liam* faced a sudden crisis when family relationships broke down, leaving him without a home.

For months, he sofa surfed across Norwich and Norfolk, sometimes sleeping rough in a local woodland. "It was such a difficult and chaotic time," he recalls. Substance misuse became a way to cope, and his health began to decline.

Everything changed when Liam was referred to **Supported Lodgings**. Moving in with a host family gave him a safe, stable environment and the chance to start again. He built a strong relationship with his Support Worker, who understood his situation and never judged him. "Having someone listen and support me made a huge difference," Liam says.

Through Supported Lodgings, Liam began to regain confidence and learn practical skills for daily life. He discovered what independence could look like, budgeting, cooking, and managing responsibilities – while having guidance when he needed it.

Today, Liam has moved into his own accommodation and is thriving. He's working towards a career in gardening and feels ready to manage a tenancy.

"Supported Lodgings helped me believe in myself and gave me the tools to live independently."

Case Study

A host's journey

When I first thought about becoming a Supported Lodgings host, I was honestly quite nervous. Opening your home to someone you don't know is a big decision, and I wasn't sure what to expect.

But from the start, the team made things feel manageable. They took time to explain how it all works and gave me the confidence that I'd have guidance whenever I needed it. By the time Leah arrived, I felt prepared and reassured.

Of course, it wasn't always easy. There were moments when things felt challenging – learning how to support someone who's been through a lot of challenges can be emotional. But I never felt left to figure it out alone. Whenever I had questions or needed advice, the team were there to listen and offer practical suggestions. That made a huge difference.

The best part was watching her change over time. At first, Leah was quiet and kept to herself, but gradually she started to open up. Her confidence grew, she began making plans for her future, and eventually moved into her own place. Knowing I played even a small part in that journey is something I'll always be proud of – it's incredibly rewarding.

FAQs

Do I need special qualifications to be a host?

No. You don't need professional experience – just a spare room and a genuine desire to support a young person. We provide DBS, training and ongoing guidance so you feel confident.

What kind of young people will I be hosting?

Young people aged 16–25 who are at risk of homelessness and want a fresh start. We carefully match hosts and young people to ensure a good fit.

How does the matching process work?

We meet with you at home to understand your lifestyle, preferences, and motivation. Then we pair you with a young person who we believe will suit your household and personality.

Will I get training before someone moves in?

Yes. Every provider receives comprehensive training and practical tips. This happens before any placement begins.

What support will I have once hosting starts?

You're never on your own. Our team stays in regular contact, checks in with you, and is available for advice whenever you need it. We also visit periodically to make sure everything is going well.

What if challenges come up?

It's normal to face challenges. If something feels difficult, we're here to help – whether that's advice, mediation, or practical solutions. You'll always have someone to turn to.

How long will a young person stay?

It varies. Some placements are short-term, others longer, depending on the young person's needs and progress towards independence.

Do I get paid for hosting?

Yes. We provide a financial contribution to cover costs and recognise your commitment. We'll explain how payments work during your home visit.

Do I have to pay tax on money I earn from hosting?

Hosts can use the Government's Rent a Room Scheme which lets you earn up to £7500 per year tax free for renting out a furnished room in your main home.

What's expected of me as a host?

You're offering a safe, supportive environment – not professional care. Encouragement, patience, and a willingness to involve the young person in everyday life make a big difference.

What happens when the young person moves on?

We'll debrief with you to reflect on what went well and what could improve. Many hosts find it incredibly rewarding to see the young person gain confidence and move into independent living.

Item Title: To consider requesting permission for Gateway Vineyard Church to hold an event on Hellesdon Recreational Ground on Sunday 16 August 2026.

Please see email below from Marc Lillystone of Grapeway Vineyard Church in Hellesdon.

Please note the 16 August 2026 is a Sunday and no caretakers would be on site during the event.

Clerk

Date 6th May 2026

Hello,

We're exploring the possibility of doing a community Sunday event on 16th August instead of our usual church service. The aim would be to have a range of activities happening in Hellesdon - we will have a free cafe at the chapel, some teams of volunteers doing gardening for local households that get nominated in advance and a free family event on the recreation ground field with games, sports and activities that would be free for local families to take part in that morning.

We're thinking games like rounders, football, tag sports etc. but also keen to have an inflatable or two that we would hire in. We have Public liability insurance (and the hire of inflatables comes with their insurance and set up) that would cover the event which would be risk assessed and supervised by a team of volunteers. I wanted to ask whether that would be permissible from a parish council perspective and whether we need to complete any forms etc.?

Kind regards,

Marc Lillystone
