The Council are aware that in line with SAPPP guidance 5.67 and 5.68 this should not have taken place. In addition, Council are aware that some historical methods used for valuation have been inconsistent. On reviewing the Asset Register the Council are aware that some work is required to ascertain whether all assets currently reflected have not been disposed of in previous years. Given this the Council are content to accept the value for box 9 for 25/26 with a view to reinstating the register in line with SAPPP guideline 5.181 during 26/27.
